EMPLOYMENT HISTORY

Geoffrey Hunt & Partners | Consulting Engineers & Scientists
Associate | 2003 to present

Consulting Forensic Scientist specialising in:

- fire and explosions;
- personal injury;
- public liability.

Dr Tompsett is experienced in the preparation of detailed illustrated reports for litigation on behalf of Insurers, Loss Adjusters and Solicitors. Experience of giving expert evidence in Civil and Criminal Courts.

Dr Tompsett has undertaken investigations for private companies and been involved in consultancy work to prevent the recurrence of incidents.

He has also investigated insurance claims involving allegations of accidental damage to property.

Dr J H Burgoyne and Partners LLP | Consulting Scientists & Engineers
Associate | 1996 to 2003

Consulting Forensic Scientist specialising in fire and explosion investigations.

Warwick International Limited

Research Chemist | 1992 to 1996

Research Chemist specialising in oxygen based bleaching systems. This included working on the stabilisation of solutions of hydrogen peroxide and developing bleaching systems for use in the wood pulp and textile industry.
